Re: Dress Code, School Supply List, and STAAR Report Cards

Dear Parents, Guardians, and Students:

The Board of Trustees approved an **updated dress code** for Pringle-Morse School students. The dress code applies to all grades, prekindergarten through high school. Many of the changes help keep our school safe.

Only clear backpacks will be allowed at Pringle-Morse School this year. The change is noted on the enclosed 2022-23 school supply list. Your cooperation will help keep Pringle-Morse safe.

This year **school supplies may be purchased directly from Pringle-Morse CISD**. A box will be waiting for your child when school starts. Prices are noted in red on the school supply list. Mail or deliver payment to Pringle-Morse CISD by Tuesday, July 26 (school registration day), if you want to purchase school supplies directly from Pringle-Morse. Sized items like gym clothes, shoes, and other highlighted items on the list will not be included in the box. Parents must purchase highlighted items.

Enclosed please find your student('s') **STAAR Report Card**.

Please do not hesitate to contact me at 806-733-2507 should you have any questions. We appreciate your efforts to help keep our campus safe.

Best Regards,

Scott Burrow, Superintendent
